

MANITOBA SUPERHORSE 50/50 PATTERN # 2

Last Revised May 2018

1. Walk over poles and into box
2. Complete two 360° turns to the right
3. Complete one and a quarter turns to the left
4. Side pass right out of the box to the center of the four cones
5. Back approximately five steps
6. Lope 2 1/4 circles to the right. The first circle slow and the second circle faster, demonstrating the horse's ability to increase speed.
7. Stop and roll back or 180° turn to the left
8. Lope 2 1/4 circles to the left. The first circle fast and the second slower, demonstrating horse's ability to decrease speed.
9. At center transition to a jog and jog to the bridge
10. Walk over the bridge

* Working order will be by drawn each day.
