FUTURITY EXPLANATION

The 50/50 Futurity is designed to promote quality Horses

There will be one event consisting of three (3) equal parts or divisions in which points are totaled to achieve a **winner**.

1. **CONFORMATION DIVISION**- *Emphasis* is to be placed on an individual that is conformationally *correct* and *sound* on all feet and legs. That is a balanced smooth individual whose parts all blend together with eye appeal and the appearance of an athletic individual.

2. **RAIL DIVISION**- Designed to show a *free & easy* moving individual that is *relaxed, ears alert, looks balanced* and his way of going forward is bright as well is responsive to the rider at various gaits. When asked to extend the jog or to extend the lope he moves out with the same smooth natural way of going. Rail work consists of the walk, jog, and lope with the extension of the jog and possibly the lope, both directions of the ring. To be shown on a loose rein or light contact without undue restraint. Judging will be based on the horses' overall performance and way of going as well as its ability to hold the designated gait and correct leads.

NEW FOR 2018 - comes into effect for the 2020 futurity. The Manitoba Superhorse 50/50 is offering our futurity competitors an option when it comes to the rail class - ranch rail pleasure or regular western pleasure class. The ranch rail pleasure will follow the NSBA ranch rail pleasure rules except that you will be riding a 2 yr old and 2-hands will be allowed for the 2 yr olds.

3. **PATTERN DIVISION**- Will consist of an individual pattern of work, designed to show how well broke the horse is. Emphasis will be placed on the execution of the pattern with regards to its correctness of the maneuvers and its overall smoothness. Horses will be asked to demonstrate leads and lead departures, circles, soft stops, back and turn on the haunches. Maneuvers will be judged at the two year old level.
